## BATH TIME

Bath time is the perfect time to review the story of Jesus walking on water. While your child is in the bathtub, tell him that you will hold him up because you want to see if he can keep his feet on top of the water without sinking. You can hold him under his arms for support as he attempts to keep his feet on top of the water. Only one person has ever been able to keep His feet on top of the water. Jesus! He didn’t just hold his feet on top of the water—He was able to walk across it! Jesus can do anything!
