

Reading Guide – Growing in Faith

June 18 - August 12

Our sermons this summer will focus on faith. We will consider passages from the Gospels in which Jesus reveals something significant about a life of faith. We invite you to read the Gospel of Luke together as a church this summer.

Suggestions for Reading:

1. Each week has been assigned three chapters to read and a verse to memorize. You may want to read the week's assigned chapters EVERY day, or you may want to pace yourself so that you cover the passages once throughout the week.
2. Questions to reflect on each day:
 - *What does this passage say about God?*
 - *What did I learn that I didn't know before?*
 - *In what way, if any, does this passage inform my understanding of faith?*
